

Title- This Ain't Spotify

description

Stop being *that* person blasting noise everywhere... it's annoying for everyone else.
Why not do something useful for once, try decoding it instead?

How to solve

1.download robot 36 app from playstore or open any online robo36 decoder. <https://sstv-decoder.mathieurenaud.fr/>

2.play the audio to it and it will show something like this

fe gffh in fu fv fk ge fg gv gc fv fr fr gg gf fk fv fu gv ge gg fe fn ge it
encoded using modhex

3.using cyber chef decode

4. Flag CTF{NOISE_POLLUTION_SUCKS}

FLAG - CTF{NOISE_POLLUTION_SUCKS}
